Hi Don / John,

Hope all is well and that you are having a great week! Just wanted to give you a quick heads up on the Welcome to Westchester monument sign project.

I received confirmation from LAWA earlier this week that they will be starting the restoration of the monument sign on Monday, April 25. The sign will be covered and partially disassembled for about 3 weeks so they can perform the work. LAWA will also be restoring the original LED light design.

Will keep track of this and let you know how everything's going. Thanks !
